SPRING 2024

# LIFE GROUPS

WE ARE BETTER TOGETHER

[CALVARYMANTECA.ORG/LIFEGROUPS](https://CALVARYMANTECA.ORG/LIFEGROUPS)

# Welcome

In a Church the size of Calvary, it is easy to get lost in the crowd or slip through the cracks. That is why we have Life Groups, to make a large Church still have that small feel. We want Calvary to be a place where people feel known, comfortable, and part of a family. A family feeling that helps us grow in our faith!

In Life Groups, you will find people intentionally moving closer to God and learning to love one another well. Everything in life is better when shared – celebration is richer, sorrow is more bearable, challenges are put in perspective, and decisions are wiser. We grow faster when people are rooting for us, teaching us, and learning with us!

## We are better together.

**Note:** Some groups will follow along with the sermon series and others will go through separate study materials.

Please contact the group leader for more info.
